## THE NEW PLACE TO BE IN THE UNSPOILT SOUTH

Located just beyond the «Anbalaba» properties, on the hill overlooking Baie du Cap, «Anbalaba Village» is remarkable for its terraced design and stunning views of the ocean. It brings together all of the amenities and services to meet the

expectations of residents and visitors alike: a large open marketplace with a market hall in which to purchase fresh local produce; a variety of shops; terraces on which to relax and enjoy a drink; restaurants in which to spend time with

friends or family; a bakery; a convenience store; a beauty salon; a dry cleaners'; a bicycle and scooter rental facility that makes it easy for you to explore the island... all a stone's throw away from the properties.

«Anbalaba Village» also includes a seasonal residence, an office space and a Pool & Spa Club, where residents enjoy privileged access to a restaurant, swimming pool, gym, spa and kids' club.
